

What our customers say

Antonia Seffen
CFO | Clue

"I have worked with torq in the area of interim controlling as well as for project-specific sparring.

Both have been straightforward, very helpful and have supported and advanced me and my team. I look forward to future projects."

Sebastian Paasch
Managing Director | AMX

„torq.partners offers more than just consultancy. **As the name suggests, they are real partners who are also involved in the client's operations.** The collaboration has relieved me of numerous financial tasks and allowed me to concentrate on strategic issues."
